THE NEWEST. THE ROOMIEST. THE VIEWIEST.

We haven't just upped the ante for the river-cruising industry; we've completely changed the game. Because our new Suite Ships have set a new standard. Featuring the biggest state rooms, the biggest windows and the biggest balconies of any river-cruising ships, a journey with Avalon is an adventure that's second to none. But for us, it's not about a few new ships. It's about year in and year out offering the youngest

fleet in all of river cruising. And it's about our promise that whatever river, whatever part of the world, whatever itinerary you choose, you'll always have a state-of-the-art Avalon ship at your beck and call. A ship inspired by you. Because your wants and desires were the catalysts for every change, every upgrade and every improvement that went into the entire Avalon fleet.
